Application for Works Associated with a Race

2022 Newcastle 500

Prepared for: Supercars Australia

Prepared by: iEDM
Integrated Event Delivery Management Pty Ltd

CWA02-22002-01
PROJECT OVERVIEW

The 2022 Newcastle 500 motor race (the Event), staged by Supercars Australia (SCA), is one of Newcastle’s largest annual ticketed sporting events that provides a vibrant mix of attractions appealing to a diverse audience.

A three-day event staged at the Newcastle foreshore street circuit in the heart of the Hunter regional area, the Newcastle 500 entertains and engages local and national attendees with a feast of motorsport action coupled with three days of off-circuit entertainment.

PROJECT NAME

2022 Newcastle 500

PROJECT ADDRESS

VERSION: 01
DATE: 04.11.2021
PREPARED BY: iEDM
APPROVING AUTHORITY: Supercars Australia
1 Proposed Works

1.1 Location

The 2022 Newcastle 500 will be held within the Newcastle foreshore street circuit precinct. The location of the event is presented in Appendix A – Declared, iEDM Drawing No. D000-22002-01 DECLARED AREA, or later revisions as issued.

1.2 The Event

The Repco Supercars Championship is the premier motorsport category in Australasia and one of Australia’s biggest sports. Globally, it is recognised as the best touring car category in the world and a leader in motorsport entertainment.

To host a world class motorsport event, Supercars Australia must safely construct & deliver all services required to undertake the event. Supercars Australia are committed to the safety and well-being of all that come to their events as well as assist in the delivery of all temporary infrastructure.

The 2022 Newcastle 500 event will incorporate a three-day racing schedule from Friday 4th March to Sunday 6th March 2022, featuring Supercars and support categories, with the main feature being held across Saturday and Sunday.

The event is expected to attract up to 57,000 patrons daily across general access, grandstand seated patrons and corporate patrons.

Patrons will be admitted through the event gates generally from 07:30 to 18:30 daily from Friday to Sunday, subject to the confirmation of entertainment offerings. Circuit activities will commence at 08:00 and will conclude at approximately 18:30 each day.

There will be other associated activities including:

— Supercars practice, qualifying and championship race sessions;
— Other motorsport entertainment, practice, qualifying and race sessions;
— Parades;
— On and off racetrack entertainment not specific to motor racing;
— Miscellaneous events and promotions, associated with the motor racing events; and
— Aerial/aviation activities based within the precinct.
Temporary facilities will be installed prior to the event and maintained during the period of the event and demobilised at the conclusion of the motor racing event by appointed service providers.

Proposed construction and demobilisation periods are presented in Appendix B – Works Period.

Foreshore Park & Camp Shortland Construction Compounds presented in Appendix C - iEDM Drawing No. K200-22002-01 CONSTRUCTION COMPOUNDS, or later revisions as issued.

There will be a period during which the promoter has the care, control, management and use of the public land within the Declared Area. These details are provided for in the Motor Racing (Sydney & Newcastle) Act, 2008 extending from 00:01AM Thursday 3rd March – 18:00PM Monday 7th March 2022.

One-way race direction (anti-clockwise) for all traffic will be implemented from 04:00am Saturday 26th February to 06:00am Tuesday 8th March 2022.

In addition to the patrons’ and residents’ entry and use of the Declared Area there will be access and use by those associated with construction activities, emergency services, residents, and businesses along with other authorised personnel.

Supercars and iEDM will closely monitor the ongoing presence of the COVID-19 pandemic and ensure compliance is met with conditions set by the New South Wales Government and Federal Government. Additionally, all service providers, sub-contractors, vendors and support services shall be expected to comply with strict COVID-19 and Site Safety protocols, which have been put in place to prevent the transmission of COVID-19, whilst ensuring standard site safety requirements are delivered.
